Dear SUD Providers:

Attached is a copy of the “Revised Forms List” that was reviewed at the Recovery/Residential Provider Meeting on June 19<sup>th</sup>. The updated SUDURM forms reviewed at the meeting (with the exception of the “10 Day Letter to Client” form, which is still pending answers from DHCS) and accompanying instructions are available in a zip file at the link below, and can be downloaded for use:

<https://www.sandiegocounty.gov/content/dam/sdc/hhsa/programs/bhs/dmc-ods/Forms.zip>

The Optum website is in the process of being updated with these forms, and the SUDPOH/SUDURM is in the process of being relocated to the “DMC-ODS” page of the Optum website. An email with more information on these changes is forthcoming shortly.

Please review these forms/instructions with your staff who will be using these forms. These forms are effective as of July 1, so services provided until that time should continue to be documented on the forms currently in use.

Please do not reply to this email. If you have questions, please contact us at [QIMatters.HHSA@sdcounty.ca.gov](mailto:QIMatters.HHSA@sdcounty.ca.gov) and someone will return your email within one business day.

Thank you,
