DMC-ODS allows for billing of multiple MAT doses with the same drug type on the same day for the same client – referred to as Split Dosing. SanWITS encounter screen and claim has been updated to allow for split dosing.

- **Effective Feb 4, 2021, each MAT dose must now be documented and cannot be combined as previously instructed**
- **Daily** <u>**total must equal one unit**</u> **(UN) only.**
- **NDC #, drug quantity with same quantity unit type must be included**
- **MAT split doses are to be reported as multi-service lines on the claim**
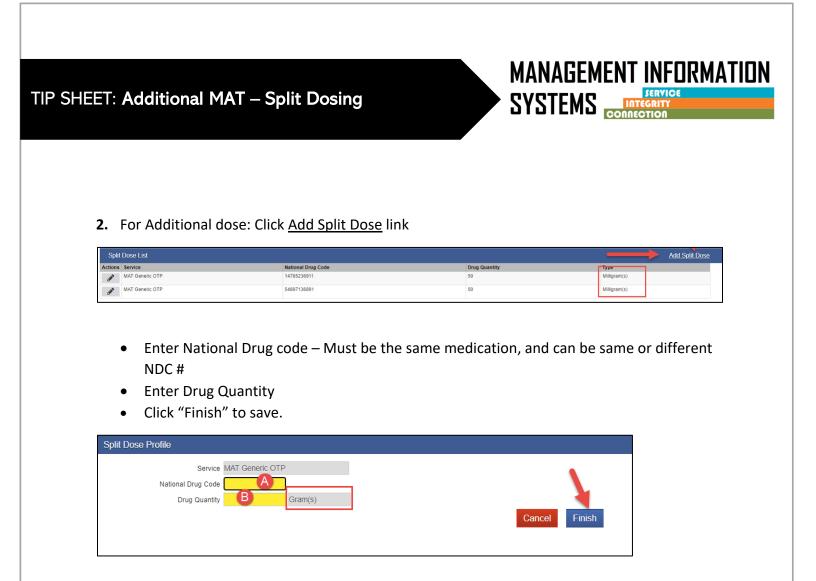

INSTRUCTIONS
