

Outpatient Programs

Primary mechanism by which to access supplemental Recovery Residence funds

Recovery Residences (RR)

Residential Programs

Every effort should be made to connect clients to an Outpatient Program to access Recovery Residence funds

- ✓ Client must be actively receiving Outpatient Treatment or Recovery Services under BHS SUD contract
- ✓ Up to 9 months maximum supplemental funding
- ✓ County funds a maximum of \$40/day or \$1,200/month (Months 1 through 3)
- ✓ County funds a maximum of \$20/day or \$600/month (Months 4 through 9)
- ✓ Maximum benefit is \$7,200/client
- ✓ Client must contribute a minimum of 30% of net (take home) monthly income, including state/federal benefits
- ✓ Client employment not required
- ✓ Contract allocation: Separate cost center with dedicated funding;
- ✓ RR funding shall be allocated exclusively to the RR cost center for direct payments to RR facilities, and alternatives such as hotels, motels, etc.
- ✓ RR funding may not be used for Program costs such as salaries & benefits, operating expenses, and/or indirect costs.

Program's tracking of supplemental funding to include adherence to maximum time parameters, daily allocations, overall benefit per client as well as total spending of cost center/line item.

Program's written policy and procedure(s) (P&P) outlines coordination of care & RR payment (no direct payment to clients).

Program's written P&P to guide RR selection. Programs may utilize BHS RR oversight contract (CHIP RRA).

Supplemental funding coverage limits may be adjusted through COR authorization. Submitting RR P&P to the COR is required for additional funding requests.

No treatment groups in Recovery Residences.

Utilization of RRs should be case-by-case, depending on client need when other safe housing options are not readily available.

Inform COR when using other types of immediate short-term/ time limited housing (e.g., motel).

Use County-provided RR Tracking Log and submit supporting documents with monthly invoice.
