Re: 1) New Question Added to Demographic Form
2) Claim It Anyway

Demographics Form

There has been an update to the Demographics Form in Anasazi. A new pregnancy question has been added and is a required field. You must answer 'Yes', 'No' or 'Unknown' for all clients. If this question is left blank or erroneously marked 'No' for a pregnant client, it may impact billing.

Claim It Anyway

Currently programs are sending any 'y' suspense codes they identify as claim it anyway to the Mental Health Billing Unit (MHBUS). In addition to sending to MHBUS, please make a copy and fax to QIMatters, Attn: QM Supervisor, Debbie MacDougall. QM will review and return to MHBUS with instructions.

*Please direct any questions and/or comments to the QI Matters mailbox:
