Re: **Updated QAR Forms**

Dear SUDS Providers:

In collaboration with the QAR (Quality Assurance Review) team, County SUDS QM has updated both the Initial Review and Extension/Stay/Discharge Review QAR forms along with accompanying instruction sheets.

Minor changes to the forms include updating information regarding physical exams and the abbreviation for IOT.

Please save the attached QAR forms as master copies, replacing any previous versions, and implement the use of these forms effective immediately.
