The password protected area of the website is reserved for County employees and Organizational Providers who have access to CCBH (formerly Anasazi), the County's electronic health record. You are required to have a **CCBH (Staff) ID**. A request from an individual who is not a County employee or Organizational Provider will not be approved.

You will need to complete the registration form for access to the Optum San Diego website. This Registration information is forwarded to the Optum Support Desk to confirm you are authorized to have access to the secure files.

Your request will be processed within one business day. You will receive an **email** once your account has been activated.
